- (a) by mutual consent of Seller and Buyer;
- (b) by Buyer or Seller if: (i) the Closing has not occurred by February 29, 1996; (ii) there shall be a final nonappealable order of a federal or state court in effect preventing consummation of the Acquisition; or (iii) there shall be any statute, rule, regulation or order enacted, promulgated or issued or deemed applicable to the Acquisition by any Governmental Entity that would make consummation of the Acquisition illegal;

discovers a fact or condition existing on the date of this Agreement and not disclosed to Buyer prior to or on the date of this Agreement that Buyer reasonably determines has a material adverse effect on the Business Condition of Seller,

(c) by Seller at any time prior to November 1, 1995 if as result of its due diligence review of Buyer subsequent to the date of this Agreement it discovers a fact or condition existing on the date of this Agreement not disclosed to Seller prior to or on the date of this Agreement that Seller reasonably determines has a material adverse effect on the Business Condition of Buyer,

(f) by Seller if it is not in material breach of this Agreement and there has been a material breach of any representation, warranty, covenant or agreement contained in this Agreement on the part of Buyer and such breach has not been cured within five (5) business days after written notice to Buyer (provided that, no cure period shall be required for a breach which by its nature cannot be cured).

7.2 Effect of Termination. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

## ARTICLE VIII

## INDEMNIFICATION

8.1 Survival of Representations, Warranties and Agreements. Notwithstanding any investigation conducted at any time with regard thereto by or on behalf of either party, no representation or warranty by Seller shall survive the closing of this Agreement and no claim may be brought by any party with respect thereto other than the representation made by Seller in Section 2.10, including any schedules thereto, which shall survive the execution, delivery and performance of this Agreement, and be subject to the provisions of Section 8.2 below, until the first anniversary of the Closing Date.

8.2 Indemnification. Seller hereby agrees to indemnify and hold harmless Buyer against any and all losses, liabilities, damages, demands, claims, suits, actions, judgments or causes of action, assessments, costs and expenses, including without limitation, interest, penalties, attorneys' fees, any and all out-of-pocket expenses incurred in investigating, preparing or defending against any litigation, or any claim whatsoever, and any and all amounts paid in settlement of any claim or litigation, but only to the extent that the aggregate of the foregoing exceeds \$250,000, (collectively "Damages") asserted against, resulting to, imposed upon, or incurred or suffered by Buyer, directly or indirectly, as a result of or arising from any inaccuracy in or breach of the representation and warranty made by Seller in Section 2.10, including schedules thereto ("Identifiable Claims"). Seller's indemnity obligation pursuant to this Article VIII shall in no event exceed, either individually or in the aggregate, \$5,000,000.

8.3 Procedure for Indemnification with Respect to Third-Party Claims.

(a) If Buyer determines to seek indemnification under this Article VIII with respect to Identifiable Claims (the party seeking such indemnification hereinafter referred to as the "Indemnified Party" and the party against whom such indemnification is sought is hereinafter referred to as the "Indemnifying Party") resulting from the assertion of liability by third parties, the Indemnified Party shall give notice to the Indemnifying Party within thirty (30) days of the Indemnified Party becoming aware of any such Identifiable Claim or of facts upon which any such Identifiable Claim will be based; the notice shall set forth such material information with respect thereto as is then reasonably available to the Indemnified Party. In case any such liability is asserted against the Indemnified Party, and the Indemnified Party notifies the Indemnifying Party thereof, the Indemnifying Party will be entitled, if it so elects by written notice delivered to the Indemnified Party within twenty (20) days after receiving the Indemnified Party's notice, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. Notwithstanding the foregoing, (i) the Indemnified Party shall also have the right to employ its own counsel in any such case, but the fees and expenses of

such counsel shall be at the sole, unreimbursable expense of the Indemnified Party unless the Indemnified Party does not assume control or the Indemnified Party shall reasonably determine that there is a conflict of interest between Buyer and Seller with respect to such Identifiable Claim, in which case the fees and expenses of such counsel will be borne by the Indemnifying Party, (ii) the Indemnified Party shall not have any obligation to give any notice of any assertion of liability by a third party unless such assertion is in writing, and (iii) the rights of the Indemnified Party to be indemnified hereunder in respect of Identifiable Claims resulting from the assertion of liability by third parties shall not be adversely affected by its failure to give notice pursuant to the foregoing unless, and, if so, only to the extent that, the Indemnifying Party is prejudiced thereby. With respect to any assertion of liability by a third party that results in an Identifiable Claim, the parties hereto shall make available to each other all relevant information in their possession material to any such assertion.

(b) In the event that the Indemnifying Party, within thirty (30) days after receipt of the aforesaid notice of an Identifiable Claim, fails to assume the defense of the Indemnified Party against such Identifiable Claim, the Indemnified Party shall have the right to undertake the defense, compromise or settlement of such action on behalf of and for the account and risk of the Indemnifying Party.

(c) Notwithstanding anything in this Section to the contrary, (i) if there is a reasonable probability that an Identifiable Claim may materially and adversely affect the Indemnified Party, other than as a result of money damages or other money payments, the Indemnified Party shall have the right to participate in such defense, compromise or settlement and the Indemnifying Party shall not, without the Indemnified Party's written consent (which consent shall not be unreasonably withheld), settle or compromise any Identifiable Claim or consent to entry of any judgment in respect thereof unless such settlement, compromise or consent includes as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party a release from all liability in respect of such Identifiable Claim.

9.2 Survival. The representations and warranties contained in Section 2 and Section 3 hereof except for the representation of Seller set forth in Section 2.10 shall not survive the closing of the sale of assets and issuance of stock contemplated by this Agreement, provided, however, that the foregoing provision shall not eliminate the rights and remedies of the parties hereto in the case of a willful fraud by the other party provided that the agreed party shall establish all elements of the existence of such fraud by clear and convincing evidence.

9.3 Interpretation. When a reference is made in this Agreement to Schedules or Exhibits, such reference shall be to a Schedule or Exhibit to this Agreement unless otherwise indicated. 9.6 Severability. In the event that any provision of this Agreement or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

9.7 Other Remedies. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party of any one remedy will not preclude the exercise of any other remedy.

9.8 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

9.9 Rules of Construction. The parties hereto agree that they have been represented by counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any law, regulation, holding or rule of

construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document.

Schedule I.1(c)

Assumed Liabilities

1. All obligations, whether existing on the date hereof or arising hereafter, under the assigned contracts listed on Schedule I.1(a).
2. All obligations relating to the Business which arise subsequent to the Closing Date.
3. Obligation of product support and customer service concerning UnixWare and Eiger.

SCHEDULE 12(b)

Buyer shall make payments of the royalties in accordance with the structure set forth below.

(2) Royalty-Bearing Products. Royalties shall be paid on sales of the following products by Buyer (the "Royalty-Bearing Products"):

(i) UnixWare

(ii) Eiger

(iii) MXU

(iv) White Box

(v) any derivative, upgrades, updates or new releases of (i) through (iv) above.

(b) Amount of Royalties. Concurrent with the execution of this Agreement, Seller has delivered to Buyer a business plan provided by Seller to Buyer on September 11, 1995 including an annual forecast by Seller of the potential estimated market for UnixWare, Eiger, MXU and White Box (the "Plan"). The amount of royalties shall be as follows:

(i) Royalties on UnixWare, Eiger, MXU and derivatives ("UW Products"):

(a) No royalties shall be payable in connection with any of the UW Products until Buyer shall have shipped or licensed, in any year, 40% of the units contemplated by the Plan for such year;

(b) Buyer shall pay royalties equal to \$50.00 per net unit in connection with each and every net unit of UW Products shipped or licensed by Buyer over and above 40% and less than 70% of the total units contemplated by the Plan for such year;

(c) Buyer shall pay royalties equal to \$60.00 per net unit in connection with each and every net unit of UW Products shipped or licensed by Buyer over and above 70% of the total units contemplated by the Plan for such year.

(ii) Royalties on White Box

(a) No royalties shall be payable in connection with any of the White Box units until Buyer shall have shipped or licensed 50% of the White Box units contemplated by the Plan for such year.

(b) Buyer shall pay royalties equal to \$20.00 per net unit in connection with each and every net unit of White Box product shipped or licensed by Buyer over and above 50% of the total units contemplated by the Plan for such year.

(iii) Net Units shall mean total gross shipments minus returns and evaluation and demonstration units (on which revenue is not received).

(c) Termination of Royalty Obligations. The royalty obligations set forth in subsection (b) above will terminate (i) after Buyer shall have made aggregate cumulative payments to Seller equal to such amount which has a total net present value of \$ 84,000,000 (determined as of the date of Closing) or (ii) December 31, 2002, whichever is sooner. A discount rate of 15% will be used to calculate the net present value.

(d) Annual Cap; Carryover Provisions. In the event that Buyer's net shipments and licenses of UW Products shall reach or exceed 130% of the units contemplated by the Plan for such year, Buyer shall not have royalty obligations in connection with such shipments or licenses over such 130% threshold (the "Annual Cap"). In the event that the actual sale and license of units of UW Products fail to reach 40% of the Plan for any given year as contemplated by (b)(i) above, then 30% of the Plan units for such year may be carried forward and added to the following year solely for the purposes of determining the Annual Cap on royalties for such subsequent year.

(e) Protective Provisions. In the event that the pricing of royalties set forth herein shall cause Buyer to become unprofitable or substantially non-competitive in the marketplace, management of Buyer and Seller will meet to negotiate a mutually acceptable adjustment so as to support the economic viability of Buyer.

(f) SVRx Converted Units. The parties agree that SCO will have the opportunity to convert existing SVRx-based customers to a UnixWare derived product, thus depriving Seller of the economic benefit of the SVRx licenses. The process for determining if a customer is validly converted is as follows:

The conversion of an SVRx customer to UnixWare will validly occur and result in the UnixWare based revenue flowing to SCO, without giving rise to a continued obligation to make payment to Seller of royalties due under the SVRx licenses, only if the following are true (note: if the customer continues to sell their SVRx based product separately, then these SVRx revenues continue to flow to Novell):

(i) The customer ships a binary copy of a Golden Master of UnixWare, Eiger, MXU or White Box, or

(ii) The product is derived from a source version of UnixWare, Eiger, MXU or White Box and (i) none of the original SVRx code provided by Novell to the customer, under the SVRx license, is included in the new product or (ii) Buyer shall demonstrate to Seller's reasonable satisfaction that an insignificant amount of original SVRx code is so included and the adoption of UnixWare is so substantial as to constitute a valid conversion.

In addition, an SVRx customer can be defined as having converted to UnixWare only if one of the above is satisfied and only if support is provided for NDS (client/server where appropriate) in the resulting product.
